Highlights

Quick heat boiler

Our heating boiler technology is superfast, allowing immediate brewing of each cup of coffee beverage one after the other.

100% Ceramic Grinder

Our ceramic grinders never overheat, ensuring you a perfect grinding, long-lasting performance and totally silent operation.

Customizable Settings

You will always get a perfect cup brewed just for you, according to your personal preference, thanks to our adjustable length and strength. Pressing a button is all you'll need to do to enjoy a superb beverage in your favorite cup.

Adjustable Dispensing Spout

The right temperature and never any splashing thanks to our adjustable spouts that always guarantee a perfect distance between them and your cup.

Dishwasher-safe drip tray

You can comfortably put the drip tray in your dishwasher, giving it a perfect time-saving clean.

Espresso/Coffee Selection Lever

With just a flip of the Dual Pressure Lever, you can enjoy coffee and espresso made from whole beans.

5 step adjustable grinders

5 adjustable grinding preferences, from the finest for a full bodied espresso to the coarsest for a lighter coffee.
